DON LONGLEY, SALE MGR., 16 SO. LOCUST ST., AURORA, ILL.

The Princess Royal family at Hopkins Stock Farm. Originally acquired by Hopkins in its purchase of the entire Red Gate herd in Ohio and came to Carusbrooke in 1961 with the purchase of the entire Hopkins herd.

## **THE CARUSBROOKE PROGRAM . . .**

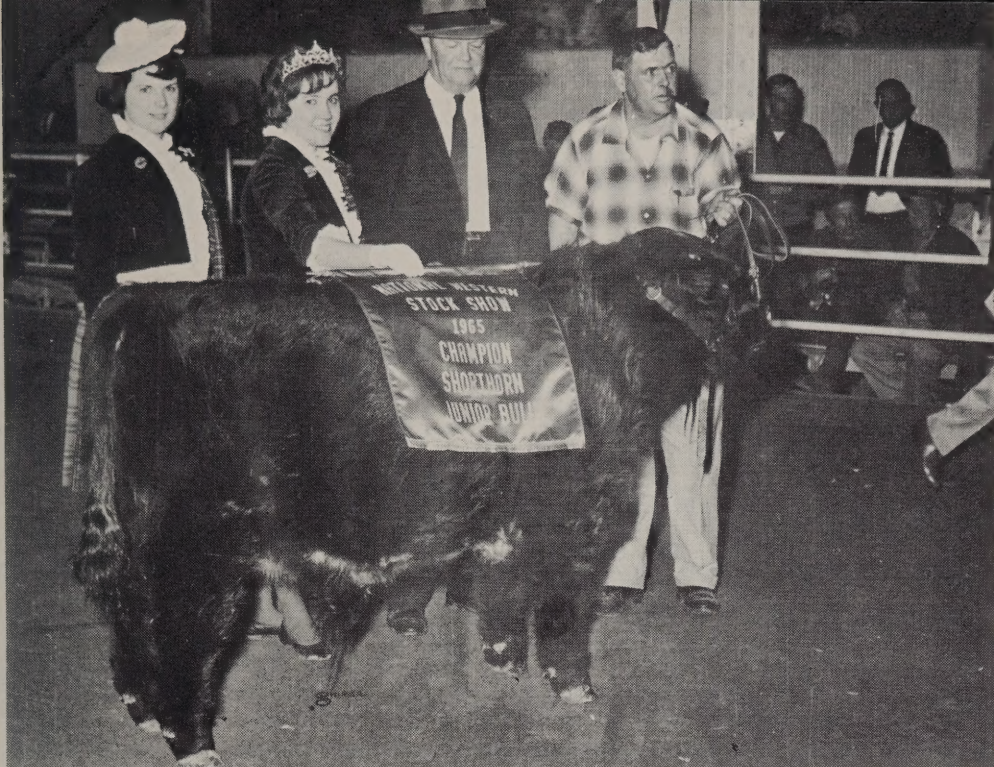

**IT HAS INCLUDED  
THE PURCHASE OF  
BOTH OF THE  
HIGHLY REGARDED  
HOPKINS AND  
JOHN WHITAKER  
HERDS . . .**

The goals at Carusbrooke have always been clear. They want one of the best herds of Shorthorns in the country . . . and with their forward moving policy are achieving that goal.

The herd was founded in 1949. Because the owners felt that Shorthorns should be a part of a practical farm operation, the cow herd has always been handled in a most practical manner. One of their early sires, Elcona Robin Elvin, purchased at the International in 1954 turned out to be a potent sire and has left his mark in the cow herd. He sired the champion pen of bulls at the National Western in Denver, 1959. They followed with another outstanding show bull in 1960, Scotsdale Planet, from the famous S. G. Bennett herd. 21 of his daughters are being sold . . . and this will be the last opportunity to buy his daughters. Those who purchased them last year are mighty pleased.

At the 1963 Leveldale sale, Carusbrooke bought the impressive Calrossie Diamond son, Melbourne Perfection. His first calves are here now . . . and also on the farms of those

**Diamond Copyright. All-American Junior Bull Calf, 1964. Reserve Grand Champion, Denver National Western, 1965. Now a junior sire in the great Melbourne herd of John Alexander & Sons. Diamond Copyright was bred in the John Whitaker herd and is a son of Kair Copyright.**

who bought females bred to him last fall.

At the 1964 Leveldale sale, Carusbrooke bought Melbourne Upright. At that time he had already won senior championship at the American Royal. He went on to win the strong junior yearling class at Chicago . . . and to be named the All-American Junior Yearling of 1964. He is one of the most impressive bulls of the breed . . . and we share his first calf crop with you through females bred to him in this sale.

No herd in this area was more highly regarded than that of Joel Hopkins. In 1961 Carusbrooke purchased that entire herd . . . and each year these cattle and their descendants play an ever stronger role in the Carusbrooke program.

This year another of the great

Silverspoon Avenue herds was purchased in its entirety . . . the John Whitaker herd. This select group of females is one of the best of the breed . . . and a number of our 1965 sale entries come from that herd. With the Whitaker herd we acquired their herd bull, Kair Copyright, sire of Diamond Copyright, 1964 All-American Junior Bull Calf . . . reserve grand champion at Denver, 1965. Several Kair Copyright daughters are being sold as well as a number of females bred to him.

We are pleased to be joined this year by two good herds of this area as guest consignors . . . Walter Bros. and Phil Corcoran and Son. These are breeders with long and fine reputations. They have used top sires. We recommend their cattle highly.

**MELBOURNE PERFECTION** — The bull we picked in the 1963 Leveldale—Melbourne sale. The calves we have here . . . and the calves bought in dam by customers here a year ago. . . . remove any doubt but that he is an exceptional sire. They have the head and eye you seek in a top breeding animal, are deep, thick and wide from end to end. His dam was the second top selling female in the 1959 Leveldale sale.

**SCOTSDALE PLANET**—as he looked when he placed second in the junior bull calf class, 1959 International.

## THE WALTER BROS. CONSIGNMENT

For many years one of the largest and strongest herds of the breed has been that owned by the Walter Bros., Grand Ridge, Illinois. These progressive farm operators have used only the very best sires obtainable. Many good herds have received their start from Shorthorns purchased from the Walter Bros. Carusbrooke is pleased to have Walter Bros. and another good neighbor Phil-A-Don Farms, Ottawa, join us in this sale.

## Combine This Sale With A Pleasant Weekend At Starved Rock...

This is the kind of coupon buyers are clipping from their Carusbrooke Sale investments. This is one of the first heifer calves by Melbourne Perfection. Most of the females in this sale are bred to our two great sons of Calrossie Diamond, Melbourne Perfection and the All-American Melbourne Upright.

One of the most beautiful places in this entire area to rest and relax is Starved Rock State Park. There is no better time of year. We suggest, however, that you make reservations at Starved Rock Inn Lodge as it is a popular place. As you can see from the map above, historic Starved Rock is just a short drive from Carusbrooke.

We hope as many of you as possible can arrive the afternoon or early evening before the sale. There is much to see at Carusbrooke and we would enjoy your company.
